PILOTAGE

No acts of pilotage have been undertaken during June.

POWER BOAT AND PWC REGISTRATION SCHEME

Further to the below report, Gwynedd Council have now confirmed their inclusion within the reciprocal agreement.

This is very positive. I hope in time we can come to an agreement on a single style sticker for the participating authorities.

We continue to operate a reciprocal agreement with the three surrounding local authorities, Gwynedd, Anglesey and Conwy. Unfortunately, Gwynedd Council have not been able to confirm that they are willing to maintain the reciprocal agreement for this season. However, we will continue to accept their registration scheme, as the primary objective is vessel identification.

MOORINGS.

Additional quay wall moorings are being made available and utilised near the poll stack site.
